

Registering a New Volunteer Driver

Below is information a program might use for volunteer driver registration.

Thank you for your interest in (your program name here) volunteer driver program. Registration is a simple and easy process that requires only a few minutes of your time. The following is a short list of everything you need (and we need) for you to become a volunteer driver for our program.

Please provide our program with copies of:

- your valid driver's license
- your vehicle registration
- your personal auto liability insurance and the declaration page of your insurance policy as proof
- your driving record that complies with acceptable program standards as identified in the Volunteer Driver Checklist (which you must review)

That's all it takes! Once our volunteer driver program receives your completed forms and confirms that you meet the program requirements, we will undertake a background check. Once that is submitted, we will contact you to invite you to join our program as a volunteer driver. At that time you will be eligible to begin training and/or begin providing rides to passenger who need transportation.
